

Custom ELECTRIC TOOL PACKAGE

Ask for Part Number **TP102**

Featuring the following key components for a complete Central Vacuum System...

- **“Sweep and Groom” Electric Powerhead**

The SWEEP & GROOM powerhead features a low profile design for vacuuming around and under furniture. There is a viewing window designed to show when it's time to change the belt, as well as a furniture guard.

The SWEEP & GROOM comes complete with a power switch on the hood to change from carpeted to hard surfaces.

- **Wands for Powerhead**

Button Lock wands intended for powerheads requiring electricity

- **30' Electric Hose**

Standard electric hose.

- **Combination Rug/Floor Tool**

Basic attachment for cleaning rugs and bare floors.

- **Essential Accessory Package**

- Upholstery Tool: Comes with natural bristles for use on your furniture or your upholstery.
- Dusting Brush: Comes with natural bristles, helps with cleaning dusty areas.
- Crevice Tool: Intended for those hard-to-reach areas.

- **Clip-on Tool Caddy**

Easily carry your attachments with you so they are handy. Clips onto your wands, use it to carry your upholstery tool, dusting brush and crevice tool together.

- **Extra Wands**

An extra pair of standard slotted wands that allow you to keep your powerhead assembly together and use your other accessories.

- **Metal Hose Hanger**

Metal wire hanger for the storage of your central vacuum hose.
